

Local Sponsorship

iEARN-USA is proud to co-host the 2018 iEARN International Conference and Youth Summit with Winchester Public Schools and Shenandoah University the week of July 8-14. For the last three years, Winchester Public Schools has partnered with iEARN to train teachers in global project-based learning by using its platform to build relationships with teachers in other countries and to connect their students.

Event sponsorship is a great opportunity to promote your business and organization to more than 500 conference attendees which include educators and youth from 30+ countries. All local sponsors will be recognized on the sponsored event dates, in the conference program booklet, and listed on the conference website.

Sponsorship Opportunities

“Taste of Virginia” - Thursday, July 12

iEARN-USA seeks food and beverage sponsors to donate their product so that conference participants may enjoy local cuisine and hospitality. Culture Night, which will be open to the greater Winchester community, will follow the event.

Coffee Breaks - July 9, 10, 12 & 13.

iEARN-USA seeks food and beverage donations for four coffee breaks for conference participants.

Overall Sponsorship and In-kind Support

If you are interested in providing overall conference support, or donating other types of goods or services, please visit the event page at iearn2018.org/sponsor or contact us at 212.870.2693 x 4911 or at conference@us.iearn.org.
